St. Margaret School will provide a firm educational foundation of religious values and academic knowledge for each student in a Catholic, nurturing environment.

WHAT WE DID

Theology: We began the week with an all school living rosary. Each student led the school in a prayer, and all did a great job! We continued practicing our virtue of the month – reverence. We watched a video about Adam and Eve and original sin.

Reading/Language Arts: We finished our ABC Bootcamp and learned about the letters V, Y, and X – the sound they make, words that begin with the letter, and how to create the letter in sign language. We celebrated by playing Alphabetland where the kids walked around a life-sized game board traveling to Alphabetland while telling me the names and sounds of the letters of the alphabet.

Writing: We began our first writing piece. We will focus on adding details to our pictures as well as sounding out words and writing the sounds we hear.

Math: The Kinders began their new unit about comparing numbers 0-5 while the Firsties continued learning about addition and subtraction.

FYI

Carnival

Our biggest fundraiser of the year is at the end of the month. If you have not already signed up to work a shift during the Carnival please contact the office. We have 180 spots to fill for the day and we need EVERY family to take a shift.

Raffle flyers were sent home. The raffle is a huge part of the Carnival and we ask families to share the raffle information with friends and family – both near and far.

Spiritwear

Our first day is October 17th. The shirts should be finished and delivered early in the week. Remember, if you have the shirt you may wear it on Spiritwear Days with casual bottoms at no additional cost. If you do not have the shirt, you must wear your school uniform. It is NOT a casual day.
