St. Margaret School will provide a firm educational foundation of religious values and academic knowledge for each student in a Catholic, nurturing environment.

WHAT WE DID

Theology: We attended Mass and began talking about our virtue of the month – reverence. We also learned about Adam and Eve and original sin.

Reading/Language Arts: We continued our ABC Bootcamp and learned about the letters Q, U, J, Z, and W – the sound they make, words that begin with the letter, and how to create the letter in sign language. We continued our reading rotations this week.

Math: The Kinders finished their first unit about the numbers 0-5 while the Firsties continued learning about addition and subtraction.
